MESSAGE

Hey,

$5 Links From Fiverr Sound Like A Great Idea In Theory.

But Here's What You're *really* Getting:

It's The Same Story Every Single Time.....

.....I Jump On A Discovery Call With An Agency Founder Who Has Been Trying To Land Links And They've Tried It All Before:

Go On Fiverr To Look For VAs.
Who Work For As Low As 3-5$.
To Land Them Backlinks.

Then They Pay Up And Get:

Forum Comments.
Social Bookmarks.
Fake Social Media Profiles.
Image Comments.
Directory Links.

Look, Google's Smart.

Or They Wouldn't Be Making Billions Of Dollars Every Year.

If Spammy, Low-Quality Links Worked....

.....People Wouldn't Pay Thousands Of Dollars To Work With Us.

When It Comes To SEO And Backlinks, Remember:

There Are No Shortcuts.

Build Them The Right Way.

Or One New Update = You'll Lose All Your Traffic Overnight.

Period.
