SUBJECT	Quick Question

Hello,

I Work With A Company That Makes Ultra-Thin Stylish Body Weight Bands That You Can Wear All Day With Any Outfit, Even A Dress Or Suit And Burn 750-1500 Calories A Day Just By Going About Your Day.

This Is Not A Gimmick, Our Bands Go On The Wrist, Ankle, Waist And Come In Sets Of 5, 10, 15, 20, 25, And 30 Lbs. You Are Basically Carrying That Around All Day And Your Body Is Working (burning More Calories) To Carry That Extra Load.

Benefits You'll Get Instantly From Our All Day Body Weights:

- You'll Burn Up To 1,500 Calories A Day As Your Body Gets More Toned.**
- You'll Start Losing Weight The Natural Way Without Having To Workout.**
- You'll Start Building More Muscles And Strength As You Just Go About Your Day.**

Imagine Getting The Body You Always Wanted, Without Having To Workout At A Gym Or Having To Go On A Stressful Diet. Well Now You Can, With Elebands.

Many Of Our Clients Are Losing 2-3 Pounds A Week And Getting Tremendous Health Benefits.
