MESSAGE	<p>Hey, It's Been A Proper Rollercoaster Journey For Me,</p> <p>but Finally I've Managed To Build Platform Connecting Ppl With Mobile Car Valeters (think Uber Eats For Car Cleaning!). Came Upon Your Site & Thought You Might Like The Idea.</p> <p>Dw I'm Not About To Sell You Backlinks Or A Cheap Website. Lol</p> <p>In 2 Weeks I've Launched A Full MVP - Valeters Can Accept Online Bookings & Payments (I Take An 18% Cut). Also I've Automated Free Listings For UK Valeting Companies, Already Indexed & Ranking On Google.</p> <p>As A Fellow Founder, I Know You Know The Challenges With New Companies. I'm Basically Looking To Raise £60k For 15% Equity To Fuel Growth.</p> <p>If Keen, Let's Chat More On A Call. No Pressure Tho. Worst Case, We Can Swap Founder War Stories! Always Appreciate Advice.</p> <p>Thanks For Your Time Mate, I Know It's Precious!</p> <p>Cheers,</p> <p>Jack</p> <p>jack@wearepython.Com</p>
