SUBJECT	WHOA: AI Local Reputation App is Creating Millionaires

MESSAGE

Hey,

Businesses offline & online are DESPERATE for reputation management.

Their local profile listings like Google Business Profile won't get clicked on w/out TONS of fresh reviews...

& they won't get recommended in AI search engines either without an excellent reputation now.

But, you can save them & run an AI reputation automation agency w/ a new tool called AIReputors just like many newbies are doing:

Check it out here:
> > https://www.actionnow.xyz/aireputors

AIReputors is the only tool that...

Lands desperate clients that have unclaimed local profiles & need reputation help
Claims their profiles through the app & AI optimizes them
Generates tons of real positive reviews w/ AI automation in many different ways

Allowing you (cma-academie.fr) to charge $2000+ retainer fees for online profile ranking & review automation.

Incredible Features include:

AI Finds & Lands Prequalifed Clients - find clients with unclaimed profiles or need reputation help & land them with AI personalized outreach & DFY lead magnets

Claim & AI-Optimize Google Business Profiles - claim clients' GoogleMyBusiness profile listings through the app and fully manage them to help rank them higher into the 'Google 3 Pack'

Auto-Publish AI Content to GBPs - autogenerate descriptions & engaging niche AI content posted to the client's Google Business Profile automatically (this ranks them higher)

AI Automation Review Responses - auto-reply with AI to positive reviews that come in or send alerts about negative reviews

Auto Capture & Publish Reviews to Online Profiles - capture & publish reviews 100% hands-free w/ smart widgets to profile pages like Angie, Yelp, GBP, Bing, & more

AI Bot Review Automation - install a smart bot that gathers client's feedback & incentivizes them to post a positive review if happy

Run Review Email & SMS Campaigns - capture emails & phone numbers of recent customers & send broadcast & text message review campaigns to them

“Review Me” Print-Ready Cards with ‘QR Codes’ - generate special cards or flyers to customers to w/ customized QR codes that direct to the business’s online profiles like TrustAdvisors, GBP, Yelps, etc for MOBILE reviews
