SUBJECT	AI Social Video App is Creating Millionaires

Hi,

The best AI app of the year just launched, that runs an entire AI-SMMA (social media marketing agency) 100% for you.

AI Socials creates addictive social & video content from just keywords for clients (or to land them).

Then, it posts the content automatically with no scheduling needed at optimal times driving perpetual traffic with revolutionary AI 'self-scheduling'.

See how newbies are becoming millionaires here: > >

<https://www.vaulemedia.com/aisocials>

Why's this the Biggest App to Come Out in Several Years?

Everyone is addicted to social media & the companies that post the highest amount of engaging content on multiple platforms are taking all the sales these days.

Finally, you can compete w/ big agencies & corporations + help small biz owners for a monthly fee service they MUST have today.

Unbelievable features include:

AI Social Video Campaigns - let AI create & design engaging social posts & videos from just keywords for TikTok, YouTube, Instagram, Facebook, Twitter, & more

AI Agency Social Media Campaigns - auto-build lead campaigns using just a keyword that specifically LAND clients for you w/ unique, viral content

AI 'Self-Scheduling' Technology - instead of scheduling each post manually, let the app post the content for at optimal times on autopilot w/ no scheduling needed

AI Midjourney Image Technology - generate AI images for your social content using Midjourney (the best AI image engine) to really stand out on social timelines

AI Social Video Wizard - enter a keyword & AI Socials will write a script and create a high-retention video to post. Customize w/ clips, text, layers, & more.

AI Viral Post Wizard - AI Socials will create viral social media posts for any social network you choose. Add text, images, change fonts, add emojis, & more w/ the editor.

AI Variations Technology (Make 100s of Posts) - enter a seed keyword and # of variations to create & AI Socials will create multiple unique posts from that keyword.

Find Trending Topics - find what's trending on social media, then give the topic to the A.I. to create tons of unique posts around (easy mass traffic)

Agency Content Calendar - Organize all your social posts in a drag/drop calendar. Schedule one-time posts, see when A.I. will be posting, & organize by client

Plus, You're (cma-academie.fr) Getting My BEST BONUS THIS YEAR...
