Hey

Sadly, It's True...

For The Past Year, You Have Been Trying Dozens Of Apps...

And I'm Here To Tell You That This Is NOT AI

At Best, They're Cheap Mirror Of ChatGPT, Which Is Also Not An AI App

I Know You May Not Believe Me Now...

But Think About It...

It Just Predicts The Answers, And Finds Them On The Internet

And To Make Matters Worse... It's Outdated.

Meaning, ChatGPT Only Has Access To Information Till 2021

This Is A Huge Gap, Especially In The Day And Age We Live In...

But Somehow, They Convinced Us That This Is AI...

I Mean...

Try To Use ChatGPT To Create Something...

Try To Use It To Create A Funnel, Or A Website, You Will Be Amazed By How Bad It Really Is...

Does That Mean You Have To Live Like This?

Never Be Able To Use The True Power Of Ai?

The Short Answer Is NO...

I've Managed To Create Something...

That Has Never Been Done Before...
