SUBJECT	Who Is Calling Your Website Leads?
MESSAGE	Hello Team, I Wrote This Using The Contact Form On Your Website. If I Were A Customer, Could You Call Me Back In The Next 5 Minutes? An MIT Study Showed That A Lead Contacted Within 5 Minutes Is 100 Times More Likely To Be Reached Than One Called 30 Minutes Later. We Make That Call For You. The Moment A Visitor Asks For A Call On Your Website, We Call Them In About 30 Seconds, And You Decide Who They Talk To: 1. You Or Your Staff. Your Phone Rings And We Connect You While They're Still On Your Site. Miss It? Our AI Takes The Call. 2. Our AI, On Every Call. It Answers Their Questions, Qualifies Them And Books The Appointment, Around The Clock, Then Sends You A Full Transcript. Try It: Go To Https://ultraleadgeneration.Com, Click The Blue Phone Icon In The Bottom Corner And Type In Your Phone Number. It Calls You. You'll Hear The AI Option. A Real Person Helps You Get Set Up. You Get 14 Days Free. Our Basic Plan Needs No Credit Card. Best, Jean, Ultra Lead Generation Not A Fit?
