SUBJECT	Hi cma-academie.fr Owner!
MESSAGE	<p>Do you want to promote something to millions of people without paying for overpriced Facebook or Google ads? Contact form advertising fits the bill! Here's why: 1. You're reading this message just like the millions of other website owners I post messages to every day so you're living proof it works! 2. Contact form advertising is unique, unlike hundreds of thousands of advertisers who all compete for the same audience like with FB or Google. With contact form advertising your ad message is the only one being read at any given time by the website owner. 3. It's cheap, you can post to a million sites for less than a hundred dollars!
