I'm with HiveMailers, we use a robust email system to get clients daily leads and/or sales 24/7.

WE DO ALL THE WORK:

- We create the content for the email(s).

- We forward leads to you daily.
- We manage your email campaigns 24/7.
- We make changes to the list and content until we get results.

WHO THIS IS FOR:

- Companies who offer products/services to businesses (B2B).
- Companies who provide a product/service with wide appeal (not a small niche).
- Companies who product/service can be sold across the USA and/or international.

NOTE: To buy an email list and hire an in-house email manager to run your campaign (like our system) would cost around \$3,500 a month, but with us, you pay just \$48. So, you save over \$3,450.
